DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 1, 15 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claims 1, 15 are unclear in reciting “article infeed for feeding a plurality of stripping devices”. Does the article infeed **feed** a plurality of stripping devices? Or perhaps the article infeed is for feeding **articles** to the plurality of stripping devices (as in claims 21, 33, 39). As written claims 1 & 15 are unclear in appearing to indicate that the article indeed feeds (i.e., conveyors) stripping devices.

Allowable Subject Matter

3. Claims 21-40 are allowed over the prior art of record.
4. Claims 1 & 15 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
5. Claims 2-14, 16-20 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.
